

**MEDIA RELEASE
FOR IMMEDIATE RELEASE
19 March 2020**

**RESPONSE TO
COVID-19**

CANBERRA: Langtrees VIP Canberra has announced today that it has implemented a policy covering a number of social distancing measures at its Mitchell premises. Effective immediately, in response to the novel coronavirus (Covid-19) pandemic, measures including the following will be implemented:

- restricting the number of staff and patrons on premises at any given time as per government guidelines
- daily health monitoring of all staff including strict self-reporting guidelines.
- Excluding any form of Kissing, or activities that could increase the transient of bodily fluids.

Langtrees has also implemented other precautionary measures including the provision of alcohol-based hand sanitizer which all patrons must use upon arrival and more frequent and strengthened cleaning measures, including the cleaning of tables and areas after patrons have vacated these areas.

The implementation of these arrangements is extremely important to maintaining the health and safety of our people, whilst ensuring we continue to deliver the core services of our business.

Langtrees will continue to closely monitor the pandemic and follow guidelines from relevant health authorities.
